Fax – 316.977-9312

GraceMed is a non-profit organization based in Wichita. Their Extended Care Permit hygienists will be coming to **Moundridge Schools** on **1/21/2020** to provide dental screenings and fluoride. **If you would like to sign your child up for fluoride varnish, please fill out the appropriate box below and return this form.** All children are eligible for these services. If you already have a dental home, please continue to see your dentist for regular cleanings and check-ups! If your child is seen for any services, you will receive a report stating what services were provided, along with a dental referral if needed. On occasion, a Wichita State University senior hygiene student may accompany and assist us at a dental event.

Forms are due back no later than 1/17/2020

Opt-Out of Dental Screening

Complete this portion only if you **DO NOT** want your child to be seen.
