Dear Parents / Guardians,

Once again Moundridge Dental office has agreed to come do dental screenings of USD 423 students. This includes looking into the students mouth with a bright light and looking for dental needs: cavities, sealants, cleanings, painful or swollen gums. A sheet will be sent home with your student describing the results. If there are any urgent needs that require immediate attention you will receive a call from myself.

At this time we have the office scheduled to see students:

Elementary – Wednesday, October 9th (1:00 PM – 3:30 PM)

Middle School – Wednesday, October 16th (8:30 AM – 10:30 AM)

High School – Wednesday, October 16th (10:30 AM – 1:00 PM)

If you have any questions feel free to email me at tami.malm@mcpherson.com

Thank You,

Tami Malm, RN,
school nurse

If you would like your child to opt out of this screening please return the form below prior to the day of your child's screening.
